

NSK South Africa (PTY) Ltd Environmental Policy Statement

While **NSK SA (Pty) Ltd** provides sales service, marketing support, applications engineering through receipt, warehousing and distribution of bearings and linear products we recognise that our activities can have an effect on the environment.

We acknowledge the importance of the environment, and to minimise and manage any potential adverse environmental, effects and to enhance beneficial impacts we at NSK SA (Pty) Ltd will:

- Strive to meet, and where possible exceed, all applicable environmental statutory requirements, as well as all other environmental obligations to which we subscribe.
- Aim to conduct our activities in a sustainability manner that will protect the environment and prevent pollution.
- Seek opportunities to reduce resource depletion and responsibly manage waste.
- Educate all our personnel on environmental awareness.
- Set and review environmental objectives on a regular basis, to ensure continual improvement of the environmental management system and enhancement of environmental performance.
- Integrate environmental management into NSK's business processes, strategic direction and decision making through inclusion in the IMS

Mr N. Itoh
